Welcome Amanda and Jenny!**

Beginning this March, Amanda Swisher will be rejoining the CF Schools Child Enhancement Center as our new Child Enhancement Director. Amanda has worked in the Child Care over the past two years and has experience in leadership as her previous roles has included Lead Teacher and Interim CEC Director. Joining Amanda is Jenny Pufahl, who has joined the CEC as our new child care consultant. Jenny joins the CF CEC program with a rich history in child care. Jenny is a certified teacher through the University of Wisconsin Oshkosh, and is currently the Director of the Child Development Center at the Dodge County YMCA. Further Jenny is recognized as a Wisconsin Professional Credential for Child Care Administrator through the Wisconsin Registry. We're excited and thankful to have both Amanda and Jenny serving our children's needs in our Child Enhancement Center and Cambria-Friesland Schools.
