SCHOOL REPORT CARDS - HEADING IN THE RIGHT DIRECTION

Since 2016, legislative action has changed the computation methodology of overall report card scores for schools and districts across the state of Wisconsin. The legislative changes changed the way different aspects of the school report cards were weighted and required an entirely new process for measuring growth. In 2017, it was noted that small districts like Cambria-Friesland were experiencing large fluctuations in scores. Because it was unclear if these changes reflected changes in performance or demographics, districts with more than a 10 point change were marked as outliers. Cambria-Friesland improved by almost 20 points that year and was labeled an outlier.

In 2019, for the first time, 9th and 10th grade ACT Aspire tests were added into the calculations for achievement, growth, and closing the gaps. Again, small districts were seeing some large fluctuations. This time in the Closing Gaps portion of the report card. However, this time, the state determined that they would simply not include this portion of the calculation for any schools that showed more than a 20 point change in this portion of the report card. Cambria-Friesland Elementary improved by 14.7 points in this area and received an Exceeds Expectations overall rating on their school report card. Meanwhile, the Cambria-Friesland Middle School/High School improved by 22 points; so, this area was not included in their overall score. Without it, they remain in the Meets Few Expectations category. However, with that score included, they would have been in the Meets Expectations category.

Aggressive evaluation of curriculum and implementation of different instructional strategies is having an impact. We are seeing improvement in all areas and at all levels; however, there is still more progress to be made. After training and implementation of district-wide changes in English Language Arts curriculum, we see an increase in the percentage of students scoring Proficient or Advanced in this area. The percentage of students scoring Proficient or Advanced in Math held steady. The MS/HS implementation of CPM (College Preparatory Math) continues as this year Algebra courses adopted this curriculum. At the elementary level, Math Expressions was adopted PK-5 including a wide range of supports for students and teachers. As we move forward implementing these changes with fidelity, we hope to see a similar impact in math scores in the coming years.

If you have questions or concerns about aspects of this year's State Report Card, please feel free to contact us.

November Character Trait of the Month **Respectful**

In November, students were acknowledged for showing respect to people, places, and things. From being a good audience member at the Veteran's Day service to picking up snow gear in the hallways, students had a number of opportunities to show how respectful they are.

December Character Trait of the Month **Responsible**

Terrific Kids is a character-building program that recognizes students for modifying their behavior. The program encourages kids to become the best version of themselves. Kids determine what being terrific means to them, then develop their own goals and use peer mentoring to hold themselves accountable for the actions they take each week. When a participant achieves their goal, her or she is recognized for being a Terrific Kid. At Cambria-Friesland Elementary, we recognize students throughout the week and at monthly assemblies who have exemplified the character traits of "Terrific Kids". For more information please go to <https://www.kiwaniskids.org/en/KKids/Resources/TerrificKids.aspx>

Being a Good Friend

During November, younger students were able to use their knowledge of feelings to help them understand what it means to be a good friend and, also, how to identify good friend traits in others. Students learned the ingredients of a "good friend" and also how we can do things to lose friends. The satirical book "How to Lose your Friends" was used to show students how our behavior can affect our relationships and how it is more often our own actions and thoughts that help friendships rather than others.

Thought Traps

Older elementary students had to dive into their own thinking by identifying common "thinking traps" that we can fall into. Ultimately, students found that blaming others and making assumptions was a sure fire way to lead to unresolved problems and disappointment. Taking ownership over our own decisions and actions lead to faster problem solving than blaming and making assumptions can lead to missed opportunity and failing to achieve to our greatest potential!

Happy Holidays!

It's the best time of the year! It's also the busiest. While we are out running around doing our Christmas shopping, going to basketball, baking, attending parties and events, etc. we need to remember one of the most important reasons for the season: Giving. Yes, it sounds cliché but it's so true. While it feels great to receive a gift, it feels even better to give one! Seeing the smile on others' faces and knowing that you made their day, week, or even year better is such a great feeling. You never know what someone is going through. Maybe the holidays are a hard time financially. Maybe they struggle to enjoy the holidays because they are missing a loved one. Whatever it might be, you can do your part to spread the cheer. It doesn't even have to be a big or expensive gift. I have shared a few ideas for giving back and having fun this holiday season:

Ways to Give Back:

- Visit a Nursing Home - Bring Cookies or Sing Carols
- Donate to a Food Bank
- Pack Stockings for Homeless People
- Send Holiday Cards to Deployed Military Members
- Raise Money for a Charity of Your Choice
- Donate Toys, Clothes and Christmas Decor
- Invite a Family Over for Dinner

Fun Winter Activities:

- Music and Hot Chocolate
- Baking Cookies
- Go to a Hockey Game
- Build a Gingerbread House
- Watch Hallmark Christmas Movies
- Build a Snowman
- Drive Around and Look at Holiday Lights
- Go Ice Skating

I hope that you all have a safe and warm Holiday season! If you have any questions or concerns please do not hesitate to reach out.

“Remember that the happiest people are not those getting more, but those giving more.” - H. Jackson Brown, JR.

Molly Borman
6-12 School Counselor
molly.borman@cambria-frieslandschools.org
920-348-5135 ext. 162

The Cambria-Friesland Elementary School participates in the Kiwanis Terrific Kids award program. The Kiwanis Terrific Kids Program promotes character development, self-esteem, and perseverance. Students are encouraged to practice the character traits of the Terrific Kid, which are: Thoughtful, Enthusiastic, Respectful, Responsible, Inclusive, Friendly, Inquisitive, and Capable.

Each month the school staff will educate the students about one of the character traits.

During the month, the students will participate in activities that develop awareness of each trait. At the end of the month two students from each classroom will be recognized for consistently working at being Terrific Kids. Our goal is to create a school full of Terrific Kids.

The character trait for the month of October was "Enthusiastic". October Kids' Awards went to:

Pre-Kindergarten

Claude Ashcraft, Maddilyn Barnes, Jayden Haack, Tierney Schwartz

Kindergarten

Hudson Heidt, Liam Hendrickson, Megan Labrenz, Sasha Link

First Grade

Meika Meinholdt, Kayden Nighbor, Camille Pankey, Skylar Tank

Second Grade

Annabelle Gamez, Casen Tietz

Third Grade

Elaina DeBoer, Rielynn Johnson, Amara Mohammed, Rylie Nighbor

Fourth Grade

Paxton DeJager, Rayna Helmer, Atira Hudson, Madeline Schepp

Fifth Grade

Jayla Anderson, Briella Brusveen, Jeremiah Burroughs, Omar Salgado

The Character trait for November is "Respectful"

October Junior Kiwanis - Morgan Jones

Morgan Jones is an active member of many teams, clubs and organizations. She is a member of Key Club as well as FBLA (Future Business Leaders of America). She has played volleyball, basketball, and golf as well. She also maintains officer status in the RCF FFA where she is active in many of the club activities from serving at the annual alumni breakfast to work on her state proficiency. She can also be seen helping with community events like the regular National Honor Society blood drives and Spanish Club events like the annual bowl-a-thon.

November Junior Kiwanis - Angelica Dreyer

Angelica Dreyer is combining athletics, work, and academics with community service as she prepares to go to UW-Oshkosh for Nursing. She works at Columbia County Health Care Center as a Dietary Aide and is completing her CNA certification through Madison College this Fall. She participates in softball, National Honor Society, Student Council and Key Club. She has helped with community needs ranging from shoveling snow for the elderly and participating in National Honor Society blood drives to being on hand to help organize and keep events like haunted houses or the annual craft fair running smoothly.

Coming this February to a gym near you!!

CAMBRIA-FRIESLAND DESTINATION IMAGINATION TEAMS' FIRST CREATIVITY CARNIVAL ON FEBRUARY 1, 2020 FROM 9AM - 2PM

The indoor carnival will have a collection of fun and creative activities for all ages and will include an on-site art creation competition with prizes. Each group participating in the competition will be supplied with recyclables and other materials to create a sculpture that will be judged by our own Art Club. It will also include booths addressing the areas of engineering, technical, fine arts, improvisation, service learning, and science.

To make this event a success, we need your help:

Attend:

Save the date and help us celebrate the creativity of our community!

Volunteers:

We will be looking for volunteers to help run the event through the silent auction, bake sale, concessions, running creativity booths, etc.

Donations:

Baskets for our silent auction
Monetary donations to cover supplies
Tape - Packaging, Masking, or Duct tape of any color

Collecting Recyclable or Reusable items:

Our Recycled Art contest will require the following items:

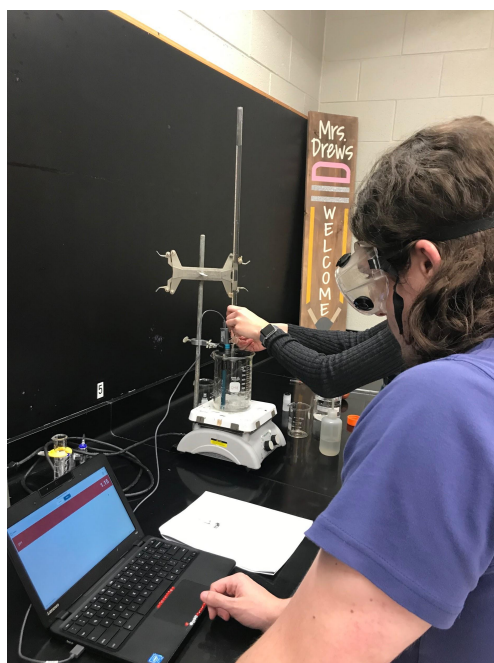

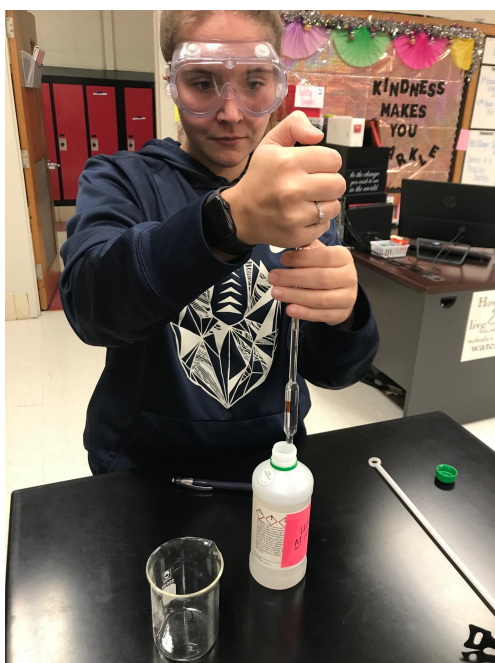

Clean cardboard boxes (can be flattened)
Clean milk jugs
Clean pizza cardboard circles
Cereal boxes (can be flattened)
Clean yogurt containers
Clean soda bottles
Newspapers
Packaging foam or peanuts

If you would like to volunteer or have items to give, please contact:

Julie Henrickson
julie.henrickson@cambria-frieslandschools.org

Science Grant in the Classroom

A big thank you “shout out” to those community members who nominated the Cambria-Friesland Science Department for the American Farmers Grow Rural Education Grant: Adam Hahn, David and Linda Hughes, Jill Jones and Lynn Wingers. The grant money was used to purchase a classroom set of Vernier Data Collection Probeware. Shown in these photos are Advanced Placement Chemistry students conducting an acid/base titration using the pH probes and Chromebook graphing software. As we become more familiar with the use of the equipment and gain greater access to materials we are able to provide very valuable learning opportunities for students- thank you for thinking of us in your nomination!!

Agriculture students are going to be receiving many hands on experiences by having earned various grants this past month. The grant money will be spent toward purchasing beef, having a classroom pet, and raising chickens. The picture is a part of our Food Prep class holding the check from Wisconsin Farm Bureau that will go toward the purchase of a chick brooder and other care items so students can hatch, raise and harvest chickens.

Student benefits

College readiness

Microsoft Office Specialist (MOS) certification can be used to support almost every field of study. Being able to use Word, Excel, PowerPoint and other tools will increase student productivity and allow them to concentrate on the subject matter they are studying. For example, many college and higher education courses require data analysis; a student with certification in Excel will have a head-start in advanced manipulation and presentation of complex mathematical and statistical information.

Microsoft Technology Associate (MTA) certifications provide students with the foundation, readiness and confidence to continue and succeed in advanced technology studies. For example, many college and higher education courses require students to possess critical thinking skills; a student who has earned a certification in Computer Science will have a head start through experience creating new software and applications.

FUTURE BUSINESS LEADERS OF AMERICA

A **WORLD** OF
OPPORTUNITY

FUTURE BUSINESS LEADERS OF AMERICA-PHI BETA LAMBDA | 2019-20

Fall Leadership Conference, Stevens Point, WI

Adriel Mendoza, Spencer Wiersma,
Bayleigh Sanborn, Jerry Olivo

Over 200 students from the state attended the WI Fall Leadership Conference in November attending seminars, training sessions on how to compete, take tests, present, personal finance, how to dress for success, and using songwriting for idea implementation.

The keynote speaker, Stephen Mackey, told of his struggles and how to be successful. Take Responsibility. Period. He used his own life experiences as example of how to overcome barriers, self-talk and be the leader you want to follow. - <http://www.mackeyspeaks.com/bio>

What kind of Leader are you?

Content: do what needs to be done but for selfish reasons and robotic actions.

Complaisant: Willing to do what you are told to do only.

Committed: Helps out, gets work done to benefit themselves and reach goals.

Compelled: Go above and beyond for the good of the team and the whole, always using the best of themselves to help better others reach their goal.

Script orders are due the first Friday of the month by noon. Scrip helps FBLA members fund conferences, training, travel and outings throughout the year. You don't have to wait til then. You can order anytime. Simply create your own account at <https://shop.shopwithscrip.com/> and use our enrollment code: 1EDF7B973799L.

1000 Books Before Kindergarten Club!

Please join the CEC as we promote reading with our very youngest children in our community. We are encouraging all of our parents to sign their children up for the 1000 Books Before Kindergarten Club through the Jane Morgan Memorial Library. Research shows that children who are read to have better vocabulary, phonemic awareness skills, and reading habits when they enter school.

Signing up is extremely easy: Simply fill out the registration form and return it to the CEC or the Jane Morgan Memorial Library.

The goal of the CEC is to make participation in the program easy for you and your child. CEC staff will be recording books read throughout the day and will notify you when your child has read 100 books and has a completed sheet to be turned in!

If you would like to participate at home, recording books you read at home is also extremely easy. As you read each book, mark a star on the recording sheet. When your child has read 10 books, return the sheet to the CEC so the books can be recorded on your child's sheet.

As an added bonus for our 4K students, Mrs. Kasperek will also keep track of books read for the children in 4K!

Completed sheets may either be returned to the Jane Morgan Memorial Library or the CEC, who will turn them in at the library for you.

Questions about the program may be directed to Jennifer Tallman at the Jane Morgan Memorial Library.

Let's all join together to help our future Hilltoppers become great readers!

Dear elementary parents

It's hard to believe that our concert is coming soon. Time is going way too fast. I know I've spoken with many of you about some changes we are going to try in order to alleviate some issues with the holiday season and the use of the school. Our program this year is going to be a K—12 program. What this means is:

- The elementary program will begin on Thursday December 12, 2019 at 6:00 PM and will be over by 7:00 PM. I know there have been concerns with younger children being tired because they are used to going to bed earlier. Students will have to report to their classroom by 5:30ish. I hope that the earlier time doesn't hinder the attendance.
- Pick up after the elementary portion will be in the elementary gym. At this time, you are invited to partake in the baked goods/hot chocolate. If you have a child in MS/HS, the concert will continue around 7:00. If you don't have an older child, you are free to take your child home, although, we'd love to have you stay for the middle school and high school.
- Those families with students in elementary, middle and high school will have one concert to go to instead of 2 or 3. We also hope this will increase the attendance at the high school concert.
- Between groups, there will be baked goods and hot chocolate available, as well as entertainment in the cafeteria from some of our high school students.

The K—5 portion will be run the same way as it has in the past, just an hour earlier. After the concert, I will send home a survey to try and get feedback on your thoughts and ideas and we'll look into changes that might need to be made. I hope this night will be a wonderful celebration for the Christmas season.

If you have any questions, do not hesitate to contact me.

Thanks,

Mr. Kuhnz

December 2019

Potatoes: As written by an elementary girl

In October 1995, the potato became the first vegetable to be grown in space. Nasa and University of Wisconsin, Madison, created the technology with the goal of feeding astronauts on long space voyages, feeding future space colonies.

Potatoes are a healthy delicious and versatile vegetable.

They are an excellent source of vitamin C.

A good source of potassium (more than a banana)

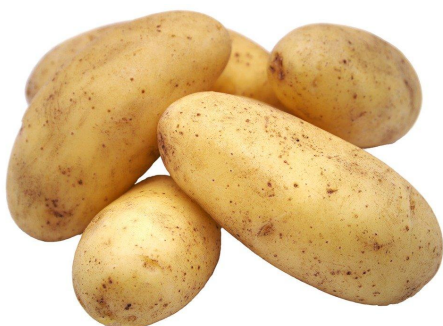

A good source of vitamin B6.

Fat, sodium and cholesterol free.

Potatoes are only 110 calories per serving.

Idaho is the largest #1 Potato growing state. Washington is #2. Wisconsin is #3.

What vegetable should I eat? Well, Potatoes.

Ginger Bread

Sugar 1¾ c
Flour All-purpose 2¼ c
Baking soda 2 T
Salt 1½ tsp
Ground Cinnamon 1 T
Ground Cloves 1 tsp
Ground Ginger 1 tsp
Vegetable Oil 1¾ cup
Large Egg Whites 10 each
Water, Hot 3¾ c
Molasses 3½ c

Combine dry ingredients. In a separate bowl mix oil, egg whites, hot water, and molasses with a wire whip until blended. Slowly add oil mixture to dry ingredients. Mix for 1 minute on low until well blended.

Pour into 1 sheet pan (18"x26"x1) which has been lightly coated with pan spray. Bake at 350 degrees for about 35 minutes.

Pizza for Lunch

One of our popular lunches here at school is the stuffed crust cheese pizza.

One 4.84oz slice of pizza is packed with 2.00 oz. equivalent grains, ⅛ cup of red/orange vegetable and 2.00 oz equivalent of meat/meat alternate, making this a healthy choice. Enjoy!!

Veterans Meal

Merry Christmas,
Ellen, Dede, Sandra and Caitlin

CEC Employee of the Month

Tammie Tietz

Tammie is a Lead teacher in the Dreamer's room (Birth-2). Tammie provides exceptional care to the infants! Tammie loves to provide the children with care and guidance, so she can watch them learn and grow while they have fun playing and interacting with others. She also enjoys the relationships and bonds that she creates, not only with the children and their friends and families, but with us as teachers, as we help make them feel safe and secure.

Tammie's favorite food is Pizza! When Tammie has free time, she enjoys camping with her family and watching movies.

INCLEMENT WEATHER

Announcements concerning school closings in the event of bad weather or severe road conditions will be broadcast on the following radio/television stations:

WBEV – Beaver Dam 1430 AM
WDDC – Portage 100 FM
WXRO – Beaver Dam 95.3 FM
WISC TV – Madison Channel 3
WOLX – Madison 94.9 FM
WKOW TV – Madison Channel 27
WPDR – Portage 1350 AM

If school is cancelled or delayed due to inclement weather an AlertSolutions message will be sent out.

School cancellations or delays will be made as early as possible.

PARENTS: Please have an alternate plan of action for your younger children as to where to go if you are not home in case of school dismissal earlier than scheduled. During snowy days buses will also be starting out five (5) minutes earlier in the A.M.

CHILDREN: Do dress warm for the winter season. Unless extreme weather conditions exist, you will be going outside during recess.

IF SCHOOL IS DELAYED FOR TWO (2) HOURS OR MORE, MORNING EARLY CHILDHOOD/PRE-KINDERGARTEN CLASSES WILL NOT BE HELD. IF THERE IS AN EARLY RELEASE, AFTERNOON PRE-KINDERGARTEN CLASSES WILL NOT BE HELD.

NOTICE OF SCHOOL BOARD ELECTION

[Sec. 120.06(6)(b)]

NOTICE IS HEREBY GIVEN, that at an election to be held in the School District of Cambria-Friesland on Tuesday, April 7, 2020, the following offices are to be elected to succeed the present incumbents listed. The term of office for school board member is three years beginning on Monday April 27, 2020.

<u>Office</u>	<u>Incumbent</u>
Representative from the VILLAGE OF CAMBRIA	Jason L. Graham
Representative from the TOWNSHIP OF SPRINGVALE	Denise A. Bancroft-Hart

NOTICE IS FURTHER GIVEN, that a Campaign Registration Statement and a Declaration of Candidacy, must be filed no later than 5:00 p.m., on January 7, 2020, in the office of the school district clerk.

NOTICE IS FURTHER GIVEN, that if a primary is necessary, the primary will be held on Tuesday, February 18, 2020.

Declaration of Candidacy forms, Campaign Registration Statements and a description of the school district boundaries can be obtained from the school district office at 410 East Edgewater Street, Cambria, Wisconsin.

Dated this 14th day of November, 2020.

Jason Graham
School District Clerk

MSHS ANNOUNCEMENTS

If you are interested in receiving the MSHS announcements daily please email Pam Hendrickson at pam.hendrickson@cambria-frieslandschools.org and you will receive daily announcements via email. Please call Pam with any questions at 348-5135 ext. 158.

PowerSchool Student Information System

Parents and students are encouraged to access PowerSchool to keep current with grades, attendance, and daily announcements. To log onto PowerSchool, go to the Cambria-Friesland website, www.cfsdwi.org, and on the menu bar click on community items and PowerSchool is located on the left side of the page about half way down.

If you need help logging on or have questions regarding PowerSchool, please contact Pam Hendrickson in the school office at 920-348-5135, ext. 158. Mrs. Hendrickson will also be able to provide you with your PowerSchool ID and password information.

ASPEN FAMILY COUNSELING

There is a mental health therapist in your school every week. (Aspen Family Counseling is a provider for most insurance companies.)

Is your child experiencing: Concentration problems? Behavior issues? Trouble getting school work done? School attendance problems? We can help your child: *Improve their mental health, * Be absent from school less, *Have more academic success, *Improve their physical health.

Contact Aspen at 1-608-742-5020, your child's teacher, or the school counselor, if you would like your child to see a mental health therapist during school hours.

Absence Reminder

Please contact the office, at extension 4, to call in a child's absence. If you would like to leave information for your child's teacher regarding your son/daughter's absence, please do that IN ADDITION to calling the office to report that your child will not be in. If your child rides the bus please call Smith Bus to inform them as well at #608-429-2732, or email: smithbus3@frontier.com. Thank you.

Label Personal Items

Parents, please remember to label your child's lunch box, pencil bags, coats, ect., to help in identifying lost or misplaced items. Thank you.

Bus Reminder

If your child is not riding the bus in the morning, please call prior to 6:30 a.m. and leave a message at Smith Bus 608-429-2732 or email: smithbus3@frontier.com

CF ROCKS CORNER

Upcoming Events

- Tubing Fundraiser @ Cascade Mountain: Wednesday, January 22, 4:00-9:00pm
- Watch for Meetings by following us on facebook or looking at our bulletin board in the Main Entrance of the school.

The Holiday Craft Fair was a success. This is the first year CF ROCKS took it over and it was a great turn out. We had several vendors, wonderful options for food, a photographer on hand to offer families free photos, a craft table which cards were made for those serving our Country. We look forward to doing it again next year. Thank you to all the community members for helping make this year a success.

Student Volunteers

HOOPS FOR HOPE

Cambria-Friesland Topper Friends,

It is going to be a special night on **Monday, December 2, 2019!** Basketball teams and fans of Central Wisconsin Christian and Cambria-Friesland once again join forces for Hoops for Hope! This year the event is hosted right here in Cambria and we will be raising funds to support two individuals with needs specific to organ donation. We also wish to bring more awareness to our communities in regards to organ donation needs.

The evening will be dedicated to raising funds to support:

C-F's Girls Varsity Basketball Coach – **John Stettbacher** who is currently on dialysis due to polycystic kidney disease and is looking for a donor.

-and-

CWC's family and supporter - **Mark Stuebs** who is very recently recovering from a liver transplant.

We know that organ donation and organ transplant has touched many of our lives in some manner and want to invite you to partner with us to be a sponsor, making this a very successful evening of hope. Can we please count on you to generously open your hearts and donate to support our recipients?

Thank you in advance for your contributions, we hope to see you on December 2nd!

Event Activities: Free-will donation dinner beginning at 4:30 pm, C-F & CWC boys & girls basketball games – begin at 4:30 pm, A Night of Hope Special Event Recognition – 7:00 pm (Between varsity games)

Sincerely,

Christa Smits ~ C-F Booster Club President
